Further to my last message to you all, due to my awaiting news from different meetings and so on, I have as yet no official closure date. The Post Office will remain for at least another three months.

As promised I am doing everything in my power to attempt to ensure the survival of a post office service in Credenhill.

I must remind you all, however, that the future of such a service in Credenhill will very much depend on the amount of business transacted through the Branch. Please continue to use the service as much as possible.

CREDENHILL PARISH COUNCIL NEWSLETTER

Following are a few points I would like to bring to your attention:

Freedom of Information Act

The Freedom of Information Act 2000 gives a general right of access to all types of recorded information held by public authorities. Whilst most of the information relating to parish business is available on the parish website I am aware that this is not available to all parishioners. If anybody would like to see any parish records (minute's agendas, account statements etc.) please contact me. Paper copies of each document will be provided if requested; in this case a charge of 10p per A4 sheet of paper will be made to cover production and postage costs.

Roman Park

You will be pleased to know that the project to locate a new changing room on the Roman Park is now going through the final planning stages. We are very grateful to Mrs E Van Straaten who has kindly given us permission to feed the necessary utilities to the building under the access strip (which she owns) to her land adjoining Roman Park. Without this permission the whole project could have been jeopardised.

We are currently looking at quotes to provide some long overdue maintenance on the football playing areas in Roman Park

I have recently instigated a feasibility study into the possibility of providing a BMX track in the Roman Park.

Dogs

We have recently spoken to the Herefordshire Dog Warden who has agreed to undertake surveillance of our village (on an opportunity basis) to try and curb the high incidence of dog fouling on our streets.

Parish Meeting – March

The parish meeting for March has been rescheduled for Wed 23 Mar (previously 16 Mar 11).

Footpath/Cycle path to Stretton Sugwas

To dispel rumours that the funding for this project has been withdrawn, we have recently been advised that although the project will not be completed to the schedule originally published, it will be completed during 2011. Thank you to District Councillor Bob Matthews who has played a significant part in ensuring that the project was not abandoned. A statement from Herefordshire Council is awaited which will be published when received.

Parish Clerk

Mrs Jenni Overall will take over as the Parish Clerk with effect from 1 Apr 11. She will replace Colin Lippett who is standing down after completing several years in the post.

Fly Tipping –Trenchard Housing Complex

There have been several complaints about the amount of rubbish that is being deposited on the fields at the back of the Trenchard Housing Complex; this has been brought to the attention of the appropriate authorities in Herefordshire Council.

Chairman of the Parish Council

Friendly, knowledgeable, independent and part of the community, village wardens can help find practical solutions to life's challenges.

Village wardens are British Red Cross staff who use their knowledge of local services to help their community. They are in touch with the Herefordshire Signposting Scheme and can connect people to a wide range of local services, helping people be more independent and remain in their own homes.

Your village warden can:

Help outside the home – for instance a village warden can shop, organise transport to hospital or other vital appointments, collect prescriptions or walk the dog.

Help inside the home – by popping in for a chat, your village warden can listen to concerns or worries and begin to help you find solutions.

Encourage – by introducing and accompanying people to clubs and local activities, a village warden can provide support, as daily routines are re-established and confidence returns.

Provide information – your village warden can help you gain access to financial and practical support service, help you fill out forms, pay bills and write letters.

Follow up – when the worst is over, your village warden can stay in touch, helping you remain independent and in contact with your community.

Hello my name is Lynda and I am your new Village Warden.

I was born in Trenchard Avenue, Credenhill in RAF Married Quarters along with my twin brother Phil. My father, Mr Gascoyne worked on the RAF Camp. My mother was school secretary at St Mary's Primary School for many years. After travelling and living in different places throughout the country and abroad our family fell in love with the Herefordshire countryside and decided to buy a house in Glebe Close.

Some of you may have already seen me jogging behind my 94 year old father who is known to quite a few of the older residents in Credenhill!

My husband Robin is an artist and has given a talk at the Credenhill Friendship Club and some Credenhill residents go to his art class in Burghill. I have a son who works for the Metropolitan Police in London and my daughter and her husband have recently moved from London and are now living in Credenhill.

I work part time for a Charity called Marches Family Network, supporting families who have a child/young adults with a disability throughout Herefordshire.

Credenhill is very fortunate to have groups which provide social activities and support within the village for older people, e.g. Credenhill Friendship Club and Taste for Adventure, along with the local Church. It is my aim to promote and work with the existing groups providing another source of help within the community.

I look forward to meeting everyone and helping in any way I can.

The British Red Cross is currently having a new telephone line put in. In the meantime, please ring the Hereford Office on: 01432 373020 and they will forward any enquiries onto me.

A BIG DELAYED THANK YOU

I would like to say a big thank you to all the people who helped me when I slipped on the ice in the village on Monday 20th December. And for getting me to hospital. After suffering cracked ribs I am now on the mend, so thank you once again.

Kathy Fowler

CREDENHILL SOCIAL CLUB

Hello again everyone. For those of you who didn't see my previous article my name is Marshall and supported by my wife Bekki I am the new steward at Credenhill Social Club.

Since my last report I am pleased to tell you that custom has increased and there have been some very enjoyable evenings.

At the time of writing there is still a couple of weeks left of **the 6 nations rugby** contests for you to enjoy on the big screen.

All the sports teams are still going and it looks as though due to popular demand we could be starting more in the future.

The skittle alley doubles as a function room and a number of people have enquired about holding parties and other functions.

A couple of events already being organised **are St Patrick's night on 19th March** the Saturday after the real day. When there will be plenty of fun and frivolity with an Irish Theme. Why not wear something green and practice a few songs for the night.

We are planning fun night on 28th April the night before the Royal Wedding, when we will be holding both **Willie's Stag Night and Katie's Hen Night** on the same evening.; The night will have a Royal theme so dig out your crowns and ermine and come as Royalty either past or present or just come as you are, as long as you are in a happy mood. You never know who you may be rubbing shoulders with.

We are still looking for ideas for the rest of the weekend when a lot of people will be having 4 days off work and we can stage both day time and evening events.

If you have any ideas just telephone the club or come down and meet us. You can use the same number if you want to book the room for a private function, party, meeting, whatever. Also come and pick up a copy of our latest Sports and Social Club Newsletter!

So far Bekki and I have met some very nice people and are enjoying every minute of it. Long may it continue.

There aren't many villages that have such a great venue as part of the community and all you have to do is come on down.

Dear Friends,

It's that time of year again! Spring is in the air and it's time to finish clearing out last year's rubbish from the garden (and the casualties of the snow and ice), take stock, preserve the precious things and make room for this year's growth! The physical action of clearing out either in the house, garage or garden helps us to think about clearing our minds too. It's all too easy to hang on to habits of the past because we've 'always done it that way' without thinking about the reasons why or being open to new ways of being or doing. We all have so much to learn from each other and from the wonderful creator who made us. Let's not be so cluttered up with our old rubbish that there is no room for growth!

Happy Spring Cleaning!
Best wishes, Angie Deane

Burghill and Tillington W.I.

We have another exciting programme of activities planned for the year ahead. If you are new to the parish – or even if you aren't - we hope it might tempt some of you to join us. There are still lots of preconceptions about the WI – Jam, Jerusalem, nude calendars – but the reality is somewhat different.

It's much more about making friends and taking advantage of all the opportunities offered by the WI, the largest women's organisation in the UK.

Our interests are wide and varied. Still not sure? Then why not join us one evening as a visitor? This can be any meeting, not just those featured as Open Meetings. All meetings, apart from visits, are held in the Simpson Hall Burghill at 7.30 p.m. and end with splendid refreshments!

March 15th – Mark Bricknell will be telling us about those important things we should see a solicitor for – such as making a will! We also hope to learn something about his work as Deputy Coroner.

You can be assured of a warm welcome, whether you are a long-time member or paying your first visit.

Should you decide to join, the subscription for 2011 is £30, which includes 8 issues of the magazine, 'W.I. Life' which keeps members up-to-date with the organisation's activities nationwide.

Being a member of the WI also gives you access to the many activities put on by the Herefordshire Federation, including trips, speakers and workshops. And have you heard about what is on offer at Denman, the WI's residential adult education college in the Oxfordshire? It might surprise you.

If you want further information, please contact our President, Mrs. Enid Davies on 01432 720826
