Boiler Fund.

Thank you very much to those of you who responded to the appeal in the CCN for donations towards the heating works at St Mary's Church. We received £90 and this added to the amount we have already raised brings the current total to £3,517.55. Many people have Gift Aided their contributions which will bring in another £850.

Our target is around £13,000 which includes removing the asbestos, covering the old boiler to make it safe, replacing with a new boiler and bringing a water supply to the church, initially to feed the new boiler but which will also be useful for the churchyard.

We are continuing in our fund raising efforts as we would like to have the heating fully functional before the cold weather returns and would gladly receive any further donations.

If you feel able to support this appeal please give your donations to any officer of the church. Snowy Davoll, Heather Park, Jean Hawkins, Barbara Brown or Dorrie Coates. If you are a tax payer and would like to Gift Aid this please write this on the envelope containing your donation.

Thank you
Dorrie Coates, Treasurer (01432 761 935)

Dear Friends

What an amazing weekend we have just enjoyed with the celebrations of the Queen's Diamond Jubilee! If the weather was too much we were treated to hours of celebrations to watch on TV. The nation rallied and cheered, and truly Queen Elizabeth was exulted. National pride is at its highest for many decades; can we keep this joyous feeling of pride and celebration going? I do hope so for Euro 2012 is now on and the Olympic Games are coming later this month when we hope for lots of gold medals for our sportsmen and women!

Thank you to all who decorated their homes and the village with bunting and flags raised – it cheered me up no end when the weather turned sour! I still haven't found my bunting – mysteriously misplaced when moving here! But when I find it I will fly my flags too! National pride is a good thing when it uplifts us, particularly at a time when people are struggling with many difficulties. I know life isn't easy for many of us so please remember that the Church is here to help when it can. We have a team of trained visitors who would love to be of help and I am always happy to call round for a chat if you would like me to. If you would like someone to talk to and who will care enough to listen, please phone me to arrange a visit.

The Church calendar moves into what we call 'Ordinary Time' now. It is between festivals and goes on until the winter months before Advent. So it is a good time for us to look at some of Jesus' life and teaching. Jesus was baptised when he was an adult, as preparation before his ministry began. The gospel of Luke tells us that John the Baptist baptised him and as he came up from the water the sky opened and God's voice could be heard saying, "This is my own dear Son, and I am pleased with you." (Mark 1:11). You are never too old to be baptised, and we would be very happy to welcome anyone of any age who would like to consider being baptised as full members of the Church family. To be known and accepted as God's own dear child is a wonderful thing. And unlike marriage where we have to charge a fee, baptism costs nothing! If you would like to book a baptism (sometimes known as a Christening), please do phone me to talk about it.

Snowy has been working hard to get things sorted out for the church boiler (I am so grateful to him for doing this). Thank you to all who have given money towards this so far but we still have a lot of money to raise quite quickly. Fund raising in July carries on with a Flower Festival and Open Church and Gardens on 7th & 8th July. This is a rare opportunity to see the old church registers, which will be on view in the church. Please do come along and support us, you will be made very welcome.

With every blessing,
Rana

Thank You to Mr Bowles who has pointed out to me that although in our May edition we celebrated our 4th year of publication, in fact the Newsletter had been around for at least another 30 years prior to this.

I would like to note that the 4th anniversary comes from when Carol Lloyd and myself resurrected the newsletter after an absence of about 2 years. We were aware that the Parish published prior to this, but unfortunately we did not have any previous copies to follow or any previous equipment to use and therefore started it from scratch. Probably much in the same way that it originally had been produced - typewritten, photocopied and stapled all by hand. We would not have liked to offend any of the previous editors and volunteers by thinking we were unique as i know what hard work and time goes into producing a monthly newsletter, but we had to start somewhere.

So if anyone is able to supply further information or has any old copies i would certainly be interested in hearing/viewing them - contact details on back of newsletter.

Footpath A480 Kings Acre - Credenhill

Dear Constituents,

This much-needed footpath has, to my knowledge been talked about for the past thirty/forty years and when I became your representative on Herefordshire Council I promised you that I would do my very best to get the Roman Road improved and a footpath constructed alongside the extremely dangerous main A480 Kings Acre/Credenhill road.

I am sure that you will already be aware that work has recently commence on the final section of this scheme. When completed within the next few months, it will enhance the general appearance of the area and most importantly will improve the safety of all residents from both of our parishes. It has not been easy to keep this project on course because of the serious financial situation, and so I am delighted that we have managed to convince the powers that be of the urgent need for this work to be carried out.

I am very much aware that there are further road-safety improvements required along this road, and in particular a bus pull-in so that the visibility at the pedestrian crossing is kept clear at all times. I am at present in the process of arranging for the Road Safety Partnership Team to attend one of our Parish Council meetings to discuss the issue of speeding traffic in the area.

I would like to take this opportunity to thank the Chairman and Members of the Credenhill Parish Council, who have worked closely alongside me to bring about these much needed improvements.

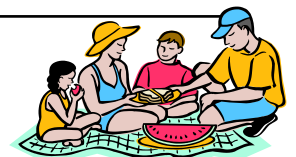

Best Wishes

Bob Matthews

Magna and Young Magna

July and here comes the sun!

AWARDS FOR MAGNA

At our recent production we were amazed and delighted to find out we had been nominated for several awards in the West Midlands during 2011, 'Jack and the Beanstalk' for best panto, 'Fit' for best drama, and 'Echoes' also for best drama. Then we were told we had actually won the award for best drama with 'Echoes'. The certificates and plate were presented on our opening night by Louise Hickey M.B.E. and a local representative [picture below]. Now we are working toward our next production in October, a rather sinister story of love and loss, look out for details here.

MAGNATHON

The 'Magnathon' is back! on 11th and 12th August at Credenhill Community Hall, in aid of St. Michael's Hospice. This is a twenty four hour period where performing arts are constantly happening and culminates with a concert for the public of all the skills used during the 24 hours. We first used this unique method of fund raising approximately twenty years ago and hope it will be as popular now as it was then and we raise as much money as possible for St. Michael's Hospice. Watch out for sponsorship forms and further information

Most of what Magna and Young Magna does is developed from performing arts workshops where we work out scripts and scenes, music and dance using improvisation. We aim to teach performance skills to those who wish to learn in a fun and fulfilling way to be a part of either group see details below

If you or your child would like to join, ring or e mail now for information or to book your place. This is a community group and so is affordable and fun. If membership is full we have a waiting list
Your local performing arts group Magna, meets every Tuesday 7.30p
Young Magna for 8-16 year olds each Sunday 2.30p.m. to 5p.m. New members are always welcome so come along and join us if you would like an inexpensive and enthralling way to pass some of your leisure time.

CREDENHILL FRIENDSHIP CLUB.

I hope everyone enjoyed the Diamond Jubilee week-end events, it was nice to see everyone getting together and having a great time even the weather did not dampen our spirits, and the Queen looked as radiant as ever.

The Friendship Club all got together to mark the occasion by having a Jubilee Supper. Everyone entered into the spirit of things by wearing home made Jubilee hats men as well, I was very impressed. The winners were Irene and Fred Hammond, and Brenda and Ron Mills, they were presented with Jubilee Mugs and cans of Beer.

Jean Farley surprised us with a Jubilee Quiz to get the old grey cells working Jeanette's team won. Those folk who had not brought hats, at the end of the evening had to do forfeits which finished the evening off with a laugh, thank you all for the lovely supper and the wine went down well too, it was a great night.

We now look forward to our trip to The Black Country Museum on June 14th fingers crossed for a fine day.

St Michael's Hospice

The Big T: Raise money having fun

St Michael's Hospice is asking people to fundraise in their communities during the Big T week:
Saturday 14th to Sunday 22nd July 2012.

Events can be as traditional or wacky as you like. Let your imagination fuel the fun ... what could you do as your Big T? You could have a Tea party with friends, maybe a Teddy Bear's picnic with the children or how about a G&T party for the adults? Perhaps dress up in Tutus and Tiaras for a day or maybe wear interesting Ties or Tights to the office or school?

Big T Packs are available free from the Events Team at St Michael's Hospice (call 01432 851000) or contact them at events@st-michaels-hospice.org.uk .

Help St Michael's Hospice raise the £4 million it needs this year to continue providing services for free – host or attend a Big T event!

GARDENING by Doug Wellin

High summer! Who was it described the English summer as 'two fine days and a thunderstorm'? It's a time for enjoying gardens, your own and other people's – there are plenty of gardens open at this time of year, including some very good private ones under the excellent National Gardens Scheme at a modest entrance fee for a charity, usually the deserving Macmillan Cancer Support. Many of the trees and shrubs in big gardens will be unsuitable for most people's small spaces, but that's one reason for going, to enjoy things you can't grow yourself, and there might well be plenty to see that will give you ideas, and attractive modest growers that you can use.

Apart from sitting out under summer suns (isn't that optimistic?) and enjoying doing nothing in your own garden, there's a bit of gentle maintenance that will keep it going nicely. Lots of plants benefit from dead heading and will produce a succession of flowers. Herbaceous geraniums given a haircut will usually give a second flush. Most roses need spent flowers taken back to a good outward-facing bud, unless they are the type of rose (such as rugosas) that produce ornamental hips. Heps or hips? I've always called them heps, hips in clothes sizes always seem capable of spread. Anyway, cut off the heps to ensure a succession or second flush of flowers. Shrubs such as weigela, philadelphus and deutzia need pruning back as soon as they have flowered, cutting out all the old flowered stuff to good new shoots nearer the base, because they will flower next year on this year's growth and cutting out the old stuff will ensure much better flowers as well as keeping the shrub in shape. So you will need decent secateurs that make nice clean cuts.

I noticed a placard in a garden centre saying 'Now is the time to plant roses' – it isn't. The trade would like you to believe that potted roses can be planted at any time, and if the plant has genuinely been pot grown with well developed but definitely not pot bound roots you might get away with it. However, by no means all roses in pots are fit for planting and some have been potted on for sale so that the compost is loose and falls out instead of staying round the roots. Others have been in the pots too long, and if the roots are deformed or pot bound the plant won't thrive. Even for roses sold in pots it's better to plant in the dormant season, but for my money the thing to do now is to take a good look at your garden to see if it can be improved by re-shaping. Then you can plan ahead and decide what to order, because bare-root roses and other shrubs often give you more scope, settle in better, and are sometimes cheaper.

If you've got veg plants coming on, a bit of weeding (like bad habits, weeds are much easier to get rid of when young and small) and attention to keeping pests at bay, will help you towards good results.

Olympic Doughnuts

What could be more spectacular than a set of Olympic rings made out of doughnuts! These make the perfect tea-time treat. They will have fun making the **coloured sugar**, too.

You will need:

5 small ring doughnuts (either shop bought or make your own)
Honey or golden syrup
coloured sugar (red, yellow, green, blue and black)

Mix a tablespoon of honey or syrup with 2 tablespoons of warm water and stir until it all dissolves.

Dip a doughnut in the syrup and then sprinkle with one of the coloured sugars. Turn over and cover the other side of the doughnut in the same way.

Repeat until you have a doughnut in each colour.

Arrange your doughnuts on a plate in the pattern of the Olympic rings. Admire!

Coloured Sugar

You will need:

ordinary sandwich bags
Granulated sugar
Food colouring
Paper plates

Put some sugar into a bag and add a drop of food colouring. Close the bag and, with your hand on the outside of the bag, mix the colour in. You may need to add slightly more food colouring or sugar until you get the right colour and texture (you don't want the sugar to be at all damp).

Tip the sugar on to a paper plate to dry.

St. Swithin's Day is 15 July, a day on which people watch the weather for tradition says that whatever the weather is like on St. Swithin's Day, it will continue so for the next forty days.

There is a weather-rhyme well known throughout the British Isles since Elizabethan times.

'St. Swithin's day if thou dost rain
For forty days it will remain
St. Swithin's day if thou be fair
For forty days 'twill rain nae mair.'

Why do people watch the weather on St. Swithin's day?

A legend says that as the Bishop lay on his deathbed, he asked to be buried out of doors, where he would be trodden on and rained on. For nine years, his wishes were followed, but then, the monks of Winchester attempted to remove his remains to a splendid shrine inside the cathedral on 15 July 971. According to legend there was a heavy rain storm either during the ceremony or on its anniversary.

Our teacher talks to herself; does yours?

Yes, but she doesn't realise it; she thinks we're actually listening!
