Two Parish Councillor Vacancies

We need your help more than ever!

Council Tax—Parish Council Precept

It is disappointing to see that the amount of precept required from each property has increased by 3% even though the total amount that the Parish Council has remained the same between last year and this year.

Herefordshire Council have confirmed that this is because the number of properties now eligible for Council Tax Benefit in the Parish has increased, either from job losses or a reduction in income meaning that individuals now meet the qualifying threshold to receive the benefits. Therefore the number of properties that the precept is paid by has reduced.

The Future of the Roman Park

So far the Parish Council are in agreement that the park facilities need to be improved and together with the help of an architect and play equipment providers as well as input from residents we have come up with a number of different plans.

None of these designs are final and any final design will be subject to obtaining funding. It is likely that the final scheme will be delivered in stages.

The Governments objectives post COVID mean that funding will be available through Sports England as well as the Lottery and other schemes.

As well as the new equipment we will be looking to plant more trees, add benches and possibly a nature trail walk around the perimeter.

As well as the old favourites we want to invest in new ideas. Free Running or Parkour has become a popular way for teens to exercise and has the “Who Dares Wins” feel about it!

Funding

The quotes received for the full project range from £250k to £380k.

Current Reserve: At present we have a reserve of £28k

Section 106: When new homes are built in the village there will be a requirement for the developer to contribute £868.00 per open market dwelling built (which excludes 35% affordable homes). So for the 69 homes approved to be built at the rear of Orchard House, this project will received £39k. If the 100 homes development is approved south of the A480 then a further £56k will be received from that development.

Grants: Sports England run annual grant schemes that many aspects of the project would be able to access; the last scheme was for £50k. The Big Lottery Fund also distributes large grants that we can access.

Fund Raising Events: Perhaps you could raise funds towards the project?

Next Steps: We need to form a charity to raise funds for the project and we need Trustees to form a charity... Please get in touch with us if you are interested

The Vicar's Letter

Dear Friends

After the death of Prince Philip I was reminded of how, sometimes, we only fully appreciate someone once they are gone from our lives. We have heard so much following his death about the life, passions, personality and character of Prince Philip - things that most of us were completely unaware of. Often it's only in obituaries and eulogies that we get a far fuller picture of someone.

We might say that we don't really know what Jesus is like, but if we read the New Testament we will get such an insight into his character. There we learn about his compassionate nature, his perfect moral standards that we can aspire to, his forgiving heart, his ability and willingness to encourage others to 'get out of the boat' and do what they can do, and his love of a good party! Also we see his extraordinary selflessness, his courage and strength, his focus on strong relationships, his willingness to see the best in everyone and accept them just as they are. We see his kindness and willingness to stop and listen to people and help them in their pain and time of need, his ability to transform people's lives, and so much more!

If you feel that you don't really know what Jesus is like, why not take some time to read about his life in the Bible? The great thing is that we can get to know him at any stage of our lives because although he has physically gone, he is still very much with us in Spirit!

We are very much relieved to be back in church every Sunday at 10.00am at the moment, but as things gradually come back to normal the time of our Sunday service might also change. Details will be on the church notice-boards.

I would like to thank Robert (you know who you are!) for the work he does for us in our churchyard - which he does as his contribution to his local church. If anyone else is interested in helping us practically we would love to know! It would be good to get our windows cleaned at some point because I don't think they have been cleaned for over 20 years! I would also like to thank Donna Jones for setting up the Easter egg trail at the churchyard and also everyone who took part.

The month of May sees the Rogation Days, when we pray for planted crops and for farms and agriculture in general, and it is also Ascension Day on the 13th and Pentecost just ten days later and that heralds the end of our Easter celebrations.

With every blessing,

Rana

May in the Garden

Summer is on the way!

As bulbs fade and herbaceous borders grow in leaps and bounds, it is now clear that summer is approaching. Sowing and planting out bedding can begin, depending on regional weather variations, and you can take softwood cuttings. It's also time to get back into the lawn mowing regime, as the lawn will be loving the warmer temperatures this month brings.

Top 10 jobs this month

1. Watch out for late frosts and protect tender plants.
2. Earth up potatoes and promptly plant any still remaining.
3. Plant out summer bedding at the end of the month (except in cold areas)
4. Water early and late to get the most out of your water, recycle water when possible.
5. Regularly hoe off weeds.
6. Open greenhouse vents and doors on warm days.
7. Mow lawns weekly.
8. Check for nesting birds before clipping hedges.
9. Lift and divide overcrowded clumps of daffodils and other spring flowering bulbs.
10. Watch out for viburnum beetle and lily beetle grubs.

St Michael's Hospice Plant Fair 4 - 5 June

St Michael's Hospice has announced the return of its Plant Fair. The two-day horticultural fundraiser, sponsored by Lyonshall Nurseries, will take place on Friday 4th and Saturday 5th June, and promises to be a celebration of the joy of gardening.

Held in the beautiful Hospice gardens in Bartestree, just outside Hereford, visitors can explore a wide range of trade stands and community-grown plant stalls. To build on the success of previous years though, the Hospice is asking for help.

If you are sowing seeds, growing-on plug plants or dividing your perennials during lockdown, and would be able to donate half a dozen plants, St Michael's would love to receive them. Organisers will accept all sorts of plants, and only ask that you label them clearly. For tomato plants, please include their variety.

If you would like to help the Hospice by growing plants, please contact Event Organiser, Gaynor Warren on 01432 852630 or email her at gwarren@smhospicehereford.org and she will let you know when and how to deliver them to the Hospice.

St Michael's Hospice Open Gardens

If you're in need of some garden inspiration, then a trip to one of our Open Gardens events might be just the thing for you.

The beautiful Whitfield Estate, near Wormbridge, opens for us on Sunday, 16th May when you'll have the chance to see 15 acres of formal and informal gardens, packed with history.

Hellens Garden Festival in Much Marcle, which raises thousands of pounds for St Michael's each year, returns on 12th-13th June. The Old Rectory in Thruxton welcomes you to its 4 acre garden on 23rd June where visitors will find unusual perennials, a burgeoning arboretum, wildlife pond and a collection of heritage fruit trees. More gardens will be announced in due course.

Full information is available at www.st-michaels-hospice.org.uk

You can also visit St Michael's at the Hergest Spring Fair near Kington on Monday 3rd May where the Hospice will host a St Michael's Hospice stall.

Let's take this next step, safely.

Brownies*

Please help! We need leaders!

Sadly, there is currently no Rainbows and Brownies in Credenhill because they no longer have leaders.

They need at least 2 people to run Brownies and preferably 2 for Rainbows so they can run as separate units but they have been a joined group in the past.

Anyone interested in taking up the role will be supported by guiders in the area. No experience necessary as training is available.

All you need is a creative mind, sense of adventure, enthusiasm and leadership qualities. If this maybe you, or someone you know, please get in touch and help save Credenhill Brownies and Rainbows.

Please contact Donna Jones for more information
