Next Meeting

The press and members of the public are invited to the next
Ordinary Parish Council Meeting to be held at
Credenhill Community Hall
on 17th November 2021 from 19:30

There is a 10 minute slot at the beginning and end of the meeting for public question time where members of the press and public can comment on agenda items, and raise any concerns about Local matters.

Parish Council Update

As I write we are in the process of ordering 15 Trees for the Roman Park; our grant application for funding from the Tree Council was successful! We will advertise a date for planting and hope to see as many of you as possible to help with this essential project.

The Credenhill Bloomers have been busy again, they are currently putting in 5,000 bulbs around the village to help brighten the place up.

The village green, Station Road and community centre have all been planted with further work planned.

It would be great to see more people involved in these projects, just an hour or so of volunteering locally has a huge amount of benefit to the local community as well as helping your physical and mental wellbeing. Contact Emma Jones for more information bloomers@credenhill-pc.org.uk

Our grant application to Sports England for the outdoor Gym was unsuccessful however we have submitted a similar one to Herefordshire Council, we will report once we know more.

Last month we advertised for Parish Council vacancies which received no enquiries or interest; not the first time! We really need a full council to enable us to get more things done. If you would like to see the improvements to the Roman Park, Hall, Club or the Village generally then please get in touch or come to the next meeting to see how you can help. You really can make a difference to your local community.

YOUR PARISH NEEDS YOU!

If everyone thinks someone else is doing it then it will never get done!

We need volunteers just like you....

Safer Neighbourhood Update

The Safer Neighbourhood Team attended the last meeting to give an update on policing matters in Credenhill. Their contact details are in the contacts list in this magazine should you wish to talk to them about any matters; they were keen to stress that unless you report problems they cannot act.

The main focus areas that we are jointly working on are:

- Speeding and other traffic related matters (e.g. Inconsiderate Parking)
- Antisocial Behaviour

The officers reported that the section of A480 that goes through Credenhill returned one of the highest numbers of speed related incidents in the county in recent weeks, so they will be returning with more enforcement. This will continue until the speeding is reduced to a level where community speed watch will be considered.

Credenhill Community Centre - CCTV is LIVE!

In the interest of safety and to clap down on anti-social behaviour; CCTV has been installed in the Community Centre Carpark. This work has been completed in conjunction with Credenhill Social & Sports Club and with agreement by West Mercia Police.

It is now Live, recordings are saved to the cloud for 30 days, our full policy and data request form are available on the website however if you would like a copy or have any concerns then get in touch.

The Vicar's Letter

Dear Friends,

You are fearfully and wonderfully made!

Psalm 139 is a beautiful Psalm of our intimacy with God our Father and Creator. He, the Creator of the heavens and earth, knows you and me intimately. He knit us together in our mother's womb with the precision of a master craftsman. In intricate detail, he made us complex and wonderful. The muscular, digestive and immune systems, bones, sinews, nerves, organs and blood vessels, everything brought into being by his tender hand. He knows our every thought, attitude, motive and care; our every action, word and deed is seen by him, and our every heart felt moment is shared by him. He is omniscient. There is nowhere he cannot go, we cannot run or hide from him, thank goodness. However low we go, he goes lower still in order to lift us up. He is the Good Shepherd who constantly seeks out the lost sheep and he is omnipresent. And when he finds us in the dark depths, he doesn't scald or chastise, but gently, lovingly leads and guides us back to himself, back into the fold where we can be made whole again. "Search me O Lord, know my thoughts." What is there in my thinking, doing and being that saddens you Lord? Show me; help me to understand and to realign, all that is wrong in me, with your righteousness.

God delights in, and provides for, all that he has made. And our security and self worth comes from knowing that we are a masterpiece, fashioned by a knowing, loving Father.

This month is our month of Remembrance - we remember all the saints who've died on 1st November, all the faithful departed on the 2nd, Guy Fawkes on the 5th, and our War heroes on 11th and Sunday 14th when our usual Act of Remembrance will be at 10.45am at the village War Memorial.

With every Blessing,

Rana

Church Warden's Report

Well what can we say. Been a rather quiet month on the front of things. Within the church setting though we have started giving the building a huge clean which is a massive task in itself. We have removed all the cobwebs around all the light fittings and within all the windows which is now revealing a vast amount light back through the glass. We've given the vestry a de-cobweb which has made it more homely for our Vicar Rana and visiting Clergy. Our next job on the list is to give the bell tower a clean and a declutter so we can then use the bells again to be rung before our weekly Sunday Services, but before this occurs, we have to get the bells maintained and serviced before they can be rung again.

We do have a member of our ministry team who has done tremendous work within our own diocese. On Sunday 10th October at 3.30pm, our very own Mike Wilkinson received the Order of St Ethelbert. This was for his committed work within the church and the community over many years as Lay reader, mission leader, street pastor, police lay chaplain and a school governor within the local school St Marys, aswell as this he is also the leader within our very own Open the Book. With him in our thoughts and prayers, lets give him a massive Credenhill Community Congratulations.

We have organised and set in stone a few key services. Our a first one will be our Act Of Remembrance Service. This will be at the War Memorial and if covid conditions allow us it will be followed by a service within he school hall. This will be Sunday 14th November 2021.

Blessings

Jamie and Mike.

Note To All Who Tend To The Graves Within Credenhill

We, as Church Wardens and the Parochial Church Council encourage the use of annual plants and flowers to be placed on graves as a symbol of the gift of creation and the brevity of life, making sure they do not impede the maintenance of the grass and churchyard.

Artificial flowers are considered inappropriate, apart from Christmas wreaths and Remembrance Day poppies.

Accordingly, after a short period of time, all dead flowers will be removed to keep the graveyard tidy. Plastic flowers, ornaments and any glass vases will be placed inside the church for collection.

As there is no Council rubbish collection from our Church we ask kindly that all rubbish is removed by those attending your loved ones grave.

Thank you for your co-operation.

Please help! We need leaders!

Sadly, there is currently no Rainbows and Brownies in Credenhill because they no longer have leaders.

They need at least 2 people to run Brownies and preferably 2 for Rainbows so they can run as separate units but they have been a joined group in the past.

Anyone interested in taking up the role will be supported by guiders in the area. No experience necessary as training is available.

All you need is a creative mind, sense of adventure, enthusiasm and leadership qualities. If this maybe you, or someone you know, please get in touch and help save Credenhill Brownies and Rainbows.

November in the Garden

Leaves are falling rapidly, and wind and rain are on the increase. Tender plants will need protecting from frost, gales and freezing rains. Move plants into the greenhouse, or into a sheltered spot, but if you can't, it is worth wrapping plants or pots.

Remember winter can be a tough time for birds in terms of water and food, so keep supplies well topped up.

TOP 10 JOBS THIS MONTH

1. Clear up fallen leaves, especially from lawns, ponds and beds.
2. Raise containers onto pot feet to prevent waterlogging.
3. Plant Tulip bulbs for a spring display next year.
4. Prune roses to prevent wind-rock.
5. Plant out winter bedding.
6. Cover brassicas with netting if pigeons are a problem.
7. Insulate outdoor containers from frost - bubble wrap works well.
8. Stop winter moth damage to fruit trees using grease bands around the trunks.
9. Put out bird food to encourage winter birds into the garden.
10. Use a seasonal bonfire - where this is allowed - to dispose of excess debris unfit for composting.
