No doubt you will have seen in the press that the Wye is suffering from high levels of pollution. The Yazor Brook runs through Credenhill and is a key tributary to the River Wye meaning that it could be itself be a source of pollution. There is a Citizen Science Group setup to monitor key indicators however they cannot monitor the Brook 24/7.

If you are concerned about the condition of the water in the brook or land adjacent to it and believe that there is a pollution incident then please report it to the Environment Agency on their incident hotline: 0800 807060

## The Vicar's Letter

Dear Friends,

The Bible teaches us that we should “Rejoice always, pray continually, give thanks in all circumstances; for this is God’s will for you in Christ Jesus.”

1 Thessalonians 5:16-18.

Spring is almost here and it’s good to hear the birds singing and to see the spring bulbs coming into flower to proclaim it! It feels as though it has been a long and difficult winter with so many difficulties going on around us. The war in Ukraine rumbles on, the cost of living crisis continues, there has been a lot of illness around us and now there has been a bad earthquake in Turkey and Syria. It seems that we hear of bad news every day. But with spring on its way and with brighter days ahead to look forward to there is much we can be grateful for.

We live in a beautiful, peaceful part of the world with amazingly lovely people around us. We have our church and community with all its’ activities and events going on bringing life into the village.

There is much to be grateful for at this difficult time for so many and it is right and good to give thanks to God for all the good things he provides us with.

On 23rd February we begin our Lent Lunches at Mansel Lacy church. These will be held every Thursday with the last one on the 30th March from 12-1.30pm. We enjoy a variety of delicious home-made soup and a roll followed by tea or coffee for a donation to the church funds and it’s a great chance to have a natter with friends; everyone is warmly welcomed.

With every blessing,

Rana

## Year 6 News

Year 6 had a fantastic afternoon with Dr. Finney, who is one of our parents and also a professional scientist.

She talked to us about our science topic, which included; DNA, RNA, inheritance, genes, double helix, selective breeding and cell codes. The children then enjoyed lots of practical experiments to research their own genetic make-up and made their own DNA strands out of strawberry straws and jelly babies!

## Cinderella Pantomime

At the end of January M & M Theatrical Productions visited St Mary's to put on a pantomime production of 'Cinderella'. The children thoroughly enjoyed the performance. The hall was filled with music and laughter throughout the show.

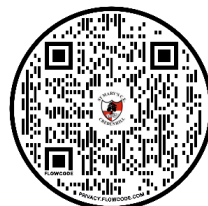

We would like to say a BIG thank you to our fabulous PTFA for funding this special treat for the children. Without the PTFA's fundraising efforts this event would not have been possible.

## St Mary's Activity Report

Thank you very much to the villagers who responded to our Organ appeal. There is still a long way to go but we have had the woodworm treated, pedals, fans, wind controls and gussets replaced and the organ has been tuned so it sounds much better. We were able to use it for our Christmas Celebrations/Services.

A huge amount of gifts were taken to the food bank by Mike and Maggie following the Carol Service and it was lovely to see people returning to celebrate at our Christmas Eve Crib Service after Covid. Donna told the story of Christmas using chocolate bars to illustrate various aspects. The children loved this and I am sure it helped to make memories about the Christmas story and once again this was the beginning of Christmas for many families.

We held Messy Church Christingle in Headway and were pleased to have nearly 40 adults and children who joined in activities including, a treasure hunt, making Christingle cakes, beeswax candles, advent crowns, stained glass windows, lanterns and table decorations before we all made Christingles. We then enjoyed tea including hotdogs and Christmas treats. Our next Messy Church is on Tuesday 21<sup>st</sup> February at Headway 5:30-7pm when we will be holding a Pancake Party. Everyone is welcome.

The Christmas Hamper Draw raised £308 for church funds. Hampers were won by Daniel Lindesay, Katie Coates and Karla Martin. Consolation prizes were won by Liz Merrick, Susan Mackermann and Paula Fitch.

Thank you to the members of the church who provided the hampers and Thank you for your support.

## CREDENHILL FRIENDSHIP CLUB

I think we all had a good time at our last meeting. Skittles mixed with a quiz somehow worked. Wally Pat Keith and Neville (helped by Sandra) did a superb job skittling! The scores on the board excellently kept by Lynn.

Thursday 2nd March will be our AGM. Can you have cheques or cash for our Annual subs please. We will let you know how much at the Meeting.

Also we desperately need ideas of what to do on our future monthly meetings as we are struggling to come up with things.

It's good to see the daffodils blooming making us think of Spring and warmer weather. We are having such a weird weather pattern.

If you know of anyone struggling please let us know to see if we can help.

Take care and we will see you on Thursday 2nd March at 7.30pm.  
New members always welcome.

Cheers

## **Church Wardens Report**

We are now in the month of March and have got a small covering of snowdrops along the front of the wall in the church yard, along with the daffodils it is looking very spring like. While we are talking about the church yard, I would just like to say a big thank you to all of you who have taken on board what we would like in the way of flowers on graves, real is best and they make the place look special. Just a small reminder though, please could all wreaths from Christmas now be removed, it would be appreciated.

To help keep the graveyard tidy, the newly formed Church Yard Gardening Group, have been kept very busy. They have new ideas about the upkeep and maintenance, along with changing the position of the compost area and where to locate the bins. We are also thinking about erecting a bird bath near to the entrance of the church and having it dedicated to our new King.

If you are interested in being a member of this group and would like to know more information then please contact Rev. Rana Davies-James. We hope to keep this on a monthly meeting on a Saturday morning. Anyone with time to spare and ideas will be greatly appreciated, whether you have green fingers or not.

With the forth coming coronation of King Charles III, the church community are beginning to plan and organise events to celebrate, these will be advertised in the CCN, the Magnis Web page, Credenhill Community Notice Board, posters in the church notice boards and around the village.

This month we will also be holding our Annual General meeting for the PCC. This is being held on Thursday 30th at 19:00. All are welcome to attend the AGM, where the PCC members will be elected.

Blessings,

Mike and Jamie.

# TRANSFORM YOUR HOME WITH COACH HOUSE INTERIORS

At Coach House Interiors we span four generations who have all worked in the soft furnishing industry. There is not a window, bed, piece of furniture, floor or wall that we have not dressed in one way or another throughout the last 60 years! Fashions come and go in our world, and we are proud to say that we can create any soft furnishing project from every decade.

Whether you want swags and tails, traditional lampshades, quilted bedspreads, roman blinds, the latest smart technology or shutters at your window, we will listen to your requirements, work to your budget and oversee every step of your scheme.

We can dress four poster beds, create half testers or coronas from scratch, make any shape of headboard or stool you have in mind, recover beloved antique kidney shaped dressing tables or completely update a 'tired' piece of furniture, whilst we are a team of interior designers we are also trained seamstresses and upholsterers.

Any scheme we undertake has a starting point. If you are looking for paint or wallpaper ideas, it usually has to tie in with an existing plan. If you wish to keep your existing soft furnishings, we can work with you to refresh your rooms with either our extensive wallpaper collection or our expertise in selecting a paint colour to bring your room to life.

We can re-build sentimental pieces, transform a previous owners house into your 'dream home' and work with you to bring the most awkward spaces into your desired aspirations. Helping you transform your home into the new living space you wish for.

Most importantly though, above all the experience we can bring, we pride ourselves on listening to your thoughts on your project and working with you to achieve this.

We are a dedicated team, who pull together here at Coach House Interiors, to work with you from your initial contact with us whether by e-mail, phone call or visit, and take any idea you present to us; from your initial contact right through to completion.

We look forward to seeing you in person and working with you in either your home or business to achieve your exacting requirements.

Opening Times  
Monday - Friday: 9.30am - 5pm  
Saturday: 10am - 2.30pm
