There is still time to stand in the local election as a Parish Councillor!  
The nomination period closes on Tuesday 4th April at 4pm.

Full details about the elections can be found here:

<https://www.herefordshire.gov.uk/elections-1/elections-4-may-2023>

#### **New Goal Posts for the Roman Park**

Thanks to another grant we have been able to replace the goal posts at the Roman Park. We have moved the posts so that the junior pitch is closer to the rest of the kids equipment. A grant of £1248 was secured from the Football Foundation the balance funded from Parish Council reserves.

## Monthly Moan

### Dog Poo

Back by popular demand; me writing about lazy dog owners that is! We are seeing lots of dog poo along Station Road ensuring our school child arrive at school with a distinct pong.

PLEASE PICK UP YOUR DOG POO!

We then move on to people that pick it up, bag it and leave it in a pile or just throw it in the bushes... usually along footpaths in our beautiful countryside.

WE PROVIDE ENOUGH BINS IN CREDENHILL

If we provide more bins then they have to be emptied which costs money - 1% increase in Precept for each bin we add - not a cost we want to put on everyone. The simple answer is take it home and bin it if the bins are full.

### Trespassing in School Grounds

Three teenage girls with a dog were seen trespassing in school grounds during a weekend in March. This has been reported to police and the images from local CCTV are being reviewed. Please talk to your children and ask them not to trespass in school grounds.

**I think you will all agree that Credenhill Bloomers deserve a big thank you for brightening up the village.**

## The Vicar's Letter

Dear Friends,

As Christians we know that there can be no Easter morning without a Good Friday. But as far as the disciples of Jesus were concerned, on that Friday after the crucifixion, the Cross was the end of all their highest hopes and the most daring dreams. Jesus had certainly done his best to prepare his followers for the Cross, for on three occasions he had told them he would die, but also that he would rise again.

The first occasion was after Peter's confession of faith (Matthew 16:21). The second was after Jesus was transfigured (Matthew 17:22-23). The third was as he and his disciples were going to Jerusalem for the last time. Jesus spoke of himself, saying, "They will hand him over to the Romans to be mocked, whipped, and crucified. But on the third day he will be raised from the dead" (Matthew 20:19). It seems strange that not one of the disciples remembered the momentous promise that Jesus would rise again.

Why is it so important to believe in Jesus' resurrection? Because we who believe it and confess him as Lord will be raised too! By far the biggest problem in life is death. But for the believer, the stone has been rolled away from the tomb of death: It's empty! Death for the Christian is the gateway into life. Christ has gone before to tell us there is a new world ahead of us, and those who believe can face the grave with utmost confidence in that promise.

If you struggle with the idea of the resurrection, it's not that surprising because it was an such a fantastic claim. But do think about it - two thousand years and all those highly intelligent and learned people who do believe surely can't be wrong!

With every blessing for a joyous Easter,

Rana

## Time to get walking again!

With Spring on its way we start to think about getting out to walk in the beautiful English countryside again, but where to find new and interesting walks?

Walking in Herefordshire has hundreds of walks to download and print for free. It also has books of walks, details of all the walking groups in the county and much more. Whether you want to walk on your own or with a group all the information is there in one place.

<https://www.walkinginengland.co.uk/hereford>

Walks from 1/2 mile to 12+ miles long, and a note of suitability for pushchairs and wheelchairs, everyone can find a walk to enjoy.

So home or away, check out the websites and get walking!

## Dignity

*"Human dignity is the same for all human beings: when I trample on the dignity of another, I am trampling on my own."*

~ Pope Francis ~

During British Science Week we were visited by an ecologist.

Rachel came in to talk about her job which involves looking for "connections" between living things and the role humans play in developing our world.

She told us that she specialises in British wildlife such as bats and crested newts.

## **Church Wardens Report**

Dear friends, as you read this report we will both be looking at handing over to new Church Warden's as we both feel that we have given two years and now it would be a good idea to hand over too somebody else and let them have a go.

The church is now fully open for all our usual services on Sunday mornings at 11:00 and continues to be live streamed on the Magnis Web page. During the week, on Monday, Wednesday, Friday the church will be open for private prayer from 09:30 to 15:30.

Since we took over we have introduced new style services such as Café Church and Community Communion. We have started the Garden Club and got the Messy Church up and running again. We both want to give a big thanks to all the people who have helped put these into practice and got them up and running.

The newly elected PPC members have already got new ideas and plan to make our church a very up and coming church, with new exciting ideas and of course the Coronation of King Charles III. We hope to have a dedicated memorial ornament out side the front of the Church for our King and hope to have a special service for this.

Update on the easy fund-raising page. This is still open and to date has raised over £53 for our church. If you buy anything online, the church can receive a donation at no additional cost to you. All you need to do, is go to [easyfundraising.com](http://easyfundraising.com) and sign in to support St Mary's Church, Credenhill.

We both say a big thank you for your support and help over the last two years, and ask that you give the new Wardens just as much support and help as you gave us. If you have any ideas, suggestions or views, you can still contact either Jamie or myself, Mike H, via e-mail. My e-mail address is, [mike.honeysett1963@hotmail.com](mailto:mike.honeysett1963@hotmail.com) and Jamie's is [meadowsj121@live.co.uk](mailto:meadowsj121@live.co.uk) Looking forward to hearing from you.

Blessings, Mike Honeysett.

# TRANSFORM YOUR HOME WITH COACH HOUSE INTERIORS

At Coach House Interiors we span four generations who have all worked in the soft furnishing industry. There is not a window, bed, piece of furniture, floor or wall that we have not dressed in one way or another throughout the last 60 years! Fashions come and go in our world, and we are proud to say that we can create any soft furnishing project from every decade.

Whether you want swags and tails, traditional lampshades, quilted bedspreads, roman blinds, the latest smart technology or shutters at your window, we will listen to your requirements, work to your budget and oversee every step of your scheme.

We can dress four poster beds, create half testers or coronas from scratch, make any shape of headboard or stool you have in mind, recover beloved antique kidney shaped dressing tables or completely update a 'tired' piece of furniture, whilst we are a team of interior designers we are also trained seamstresses and upholsterers.

Any scheme we undertake has a starting point. If you are looking for paint or wallpaper ideas, it usually has to tie in with an existing plan. If you wish to keep your existing soft furnishings, we can work with you to refresh your rooms with either our extensive wallpaper collection or our expertise in selecting a paint colour to bring your room to life.

We can re-build sentimental pieces, transform a previous owners house into your 'dream home' and work with you to bring the most awkward spaces into your desired aspirations. Helping you transform your home into the new living space you wish for.

Most importantly though, above all the experience we can bring, we pride ourselves on listening to your thoughts on your project and working with you to achieve this.

We are a dedicated team, who pull together here at Coach House Interiors, to work with you from your initial contact with us whether by e-mail, phone call or visit, and take any idea you present to us; from your initial contact right through to completion.

We look forward to seeing you in person and working with you in either your home or business to achieve your exacting requirements.

Opening Times

Saturday: 10am - 2.30pm
