The Coronation of the King will be imminent when you receive this magazine and we recognise this in a number of ways in the parish.

An Oak tree has been dedicated to King Charles III and planted with agreement from our new partners at the resource centre, this will form a centre piece in the garden for many generations to come. We have also planted several oak half barrels with flowers in Red, White and Blue in celebration. Commemorative mugs have also been purchased from Parish Council funds for the children at St Mary's Primary School and nursery and a limited number have been made available for sale, please contact the parish clerk to buy one at £10 per mug ASAP before we run out.

## Money Matters

You will note on your Council Tax bill for 2023/24 that the Parish Council have not increased their precept; zero % increase whilst the County Council, Police and Fire Service continue to increase their costs.

We continue to endeavour to work hard to manage costs at the same time as delivering a better service for you. We have worked hard to find the best tenant for the Resource Centre that will bring in rental income and will also benefit the Community.

We are pleased to welcome the Life and Soul Kitchen to Credenhill and look forward to supporting the charity and its colleagues in the future.

In terms of the last year I can summarise the finances as follows:

Our expenditure was £65.7k more than our income ; most of this related to 2 large items:

- ✦ £41.5k was on the Bus Shelter/VAS in progress (Funded by Bannut Tree Close contribution agreed by Bob Matthews with the developer) and;
- ✦ £28k on the Outdoor Gym/Table Tennis at the Roman Park – Funded from Grants held in Reserves leaving a Roman Park Reserve of £7.9k as we move into the new financial year with an additional £5k coming from the precept.

The Nursery vacated the Resource Centre later than expected so we received £1.8k more income from Rent, this was used to pay for;

- ✦ the overspend of £1.4k on Charitable Grants to Local organisations and;
- ✦ EPC & Lease Drawings required for the new Lease of the Resource Centre

The long standing burden of repairing the Culverts has been now resolved by the Historic Railway Estate (Highways England) who have now fully repaired the culverts meaning:

✦ The £32.3k reserve allocated to the Culverts can be now reallocated once the following items have been removed from it:

- i. £2.0k legal fees for the long term lease document (£1.25k spent in 22/23 and £750 put aside in 23/24)
- ii. £1.3k Resource Centre Utility Bills whilst in Parish Council possession.

## Money Matters

- iii. £1.5k Reallocated to the Bus Shelter/VAS due to shortfall after BBLP  
Architect Fees

Balance of £27.6k left now in the Land & Buildings Improvements fund (Social Club Security Fence already been procured; remainder to be planned)

We spent £118.7k in total during the year which was within £210.92 of planned spend overall (0.18% difference!)

✦ There were however a number of overspends and underspends which evened out to this figure:

- a. Wages – Underspend £200 – Litter Picking Hours reduced from January
- b. Meeting room hire – Underspend £200 – Resource Centre was used for longer
- c. CCN Printing – Overspend £500 – printing costs increased more than expected
- d. Maintenance Costs – Underspend £540 – Changed from Contractor to Employed Staff and less cleaning of changing rooms
- e. Tree Maintenance – Overspend £560 – Horse Chestnut Tree maintenance planned however 1 other large Tree needed removing from Resource Centre
- f. CCN Adverts – Extra Income £648 – Since improving the quality of the magazine we are getting more adverts
- g. Football Hire – Less Income £390 – Less games played than expected
- h. Water Changing Rooms – Overspend £1.1k – Burst Pipe in changing rooms
- i. Football Goals Grant – Extra Income £1.25k – Unexpected successful grant application

Moving into 2023/24 we have a very tight operating budget as well as a difficult economy with inflation, labour and material costs significantly up on previous years. The Roman Park safety report has already highlighted another leg of the zip wire is in need of replacing, previously costing £2k however the tendering process for the Grounds Maintenance contracts (£1.5k under budget) has shown that there are still good opportunities to effectively manage our costs; we will need to work hard to achieve a similar outcome to last year. Full details are available on our website.

## The Vicar's Letter

Dear Friends,

At the Church Annual General Meeting at the end of March, we received no nominations for the positions of Churchwarden for St Mary's Church.

This is probably the first time this has happened at St Mary's, so it is quite disappointing. A churchwarden is the person appointed by the parish to oversee the running of the parish church. Often it's a church member, but it isn't always and when elected they become members by ex officio - they are automatically on the Church Council. They have several duties - but can and should delegate when they need to. Usually they set up for church services, attend meetings (about 4 times a year), support and advice me in my role as the parish priest and are responsible for the day-to-day functioning of the parish church. In effect the churchwardens represent the people of the parish and make sure that the needs and pastoral care for parishioners is met. They should attend church regularly. It is happening more and more now that no one wants to take on the role of churchwarden, I guess partly because it holds a lot of responsibility. Having said that, if anyone in Credenhill thinks that they might be able to help us then I would love to hear from you!

Meanwhile, St Mary's continues to hold normal services and events. Our next big event will be on Sunday 7th May at 11.00am, when we will have a special service of Thanksgiving for the Coronation of King Charles and Queen Camilla. This will be followed at 12.30pm with a Big Lunch at the church and everyone is welcome to join us, but please let me know if you intend coming to help us with the catering.

By very kind invitation we are able to continue to hold Café Church at Headway on every third Sunday at 11.00am in Trenchard Avenue. It is ideal for those who would like to come to or be connected with the church in a friendly and informal way, particularly for those with mobility issues. We look forward to meeting you - coffee/tea and delicious cakes, pastries or biscuits are provided.

With every blessing,

Rana

## CREDENHILL FRIENDSHIP CLUB

Julian Reeves from Herefordshire Growing Point gave us a very interesting talk on Horticultural Therapy. Such a wonderful group who help many improve their lives with communal gardening. It is good to know people are doing such great work for communities.

Next month 4th May we will have Peter Weston give a talk about our Hereford WW1 VC Winner L/Cpl Allen Leonard Lewis. It's an apt time of year to hear about him.

Also if you wish you could make a hat for the Coronation or dress up or whatever you want. Plus bring something for the table to celebrate our new King.

Hopefully the weather will pick up soon so we can get into the garden without feeling someone has thrown a bucket of water of us.

See you at 7.15pm (for 7.30pm) on Thursday 4th May.

Take care

# TRANSFORM YOUR HOME WITH COACH HOUSE INTERIORS

At Coach House Interiors we span four generations who have all worked in the soft furnishing industry. There is not a window, bed, piece of furniture, floor or wall that we have not dressed in one way or another throughout the last 60 years! Fashions come and go in our world, and we are proud to say that we can create any soft furnishing project from every decade.

Whether you want swags and tails, traditional lampshades, quilted bedspreads, roman blinds, the latest smart technology or shutters at your window, we will listen to your requirements, work to your budget and oversee every step of your scheme.

We can dress four poster beds, create half testers or coronas from scratch, make any shape of headboard or stool you have in mind, recover beloved antique kidney shaped dressing tables or completely update a 'tired' piece of furniture, whilst we are a team of interior designers we are also trained seamstresses and upholsterers.

Any scheme we undertake has a starting point. If you are looking for paint or wallpaper ideas, it usually has to tie in with an existing plan. If you wish to keep your existing soft furnishings, we can work with you to refresh your rooms with either our extensive wallpaper collection or our expertise in selecting a paint colour to bring your room to life.

We can re-build sentimental pieces, transform a previous owners house into your 'dream home' and work with you to bring the most awkward spaces into your desired aspirations. Helping you transform your home into the new living space you wish for.

Most importantly though, above all the experience we can bring, we pride ourselves on listening to your thoughts on your project and working with you to achieve this.

We are a dedicated team, who pull together here at Coach House Interiors, to work with you from your initial contact with us whether by e-mail, phone call or visit, and take any idea you present to us; from your initial contact right through to completion.

We look forward to seeing you in person and working with you in either your home or business to achieve your exacting requirements.
