Weobley School Bus Safety Concerns

The Parish Council have written to Weobley High School and the local police on 2 occasions last month regarding the safety of pupils exiting the bus on the A480 at the end of the school day. Pupils are not using the crossing, being impatient and running in front of and behind the bus to cross the road when the lights are on green and once they have crossed some are entering the road to catch up with their mates or go ahead of others.

Please ensure that you children are briefed about basic road safety at this busy road crossing. The pavement is narrow along here and on Station Road so please ask them to be patient and aware of the traffic.

We have written to the County Council and Sargeants to see if the bus can drop off in the village to resolve this problem.

FREE Defibrillator & Emergency First Aid Training

We are pleased to confirm that in conjunction with the Herefordshire Heartstart Charity we have arranged 3 free defib & emergency first aid training sessions at Credenhill Community Hall in November.

These are aimed at people who live or work in Credenhill:

Wednesday November 15th 2pm to 4pm – 12 places

Wednesday November 22nd 7pm to 9pm – 12 places

Wednesday November 29th 7pm to 9pm – 12 places

You can book your place online through the Eventbrite listings :

<https://www.eventbrite.co.uk/o/credenhill-parish-council-73559153733>

Alternatively; call/text/email the parish clerk.

The Vicar's Letter

Dear Friends,

Over a hundred years ago now, During the First World War there was an Army Chaplain called Geoffrey Kennedy.

He was a vicar at St Paul's Church in Worcester up until the war broke out and then he volunteered to be an army chaplain and was attached to bayonet training service. He saw his ministry as being in the thick of fighting and that is where he went. He would go into no-mans-land to give help and comfort, a copy of the New Testament and, of course, a Woodbine (cigarette) to wounded and dying men with little thought for his own safety.

In 1917 he was awarded the Military Cross at Messines Ridge. One story about him was how he crawled out to where a working party was putting up wire in front of their trench. When challenged by a nervous soldier who asked who he was, he said, "The Church". The soldier asked what the Church was doing out in no-mans-land, his reply was, "its job!" He was popular with his flock for his irreverent preaching style and somewhat colourful language. He described his ministry as "taking a box of fags in your haversack and a great deal of love in your heart." He later became a famous religious author and poet - much of it about his wartime experiences.

I have a special place in my heart for 'Woodbine Willie' as he was known as. My father was also an Army Chaplain, this time in the Second World War. I have, and still use, his tiny communion set that he hung around his neck and crawled out to fallen soldiers on the battle field in order to give them 'last rights' (their last opportunity before dying to be right with God).

On Sunday 12th November we will be remembering all who gave up so much to enable our nation to be free. As the years go on it's easy to become detached from the reality of how it was when our nation was at war and the difficulties and fears our country faced and the awful pain of the loss of loved ones in such circumstances. It is so important that we keep the memories of those men and women alive by remembering them each year and I hope that as many of you that are able will take the opportunity to join us at the village memorial to do just that.

With every blessing,

Rana

CREDENHILL FRIENDSHIP CLUB

October Meeting was another fun packed evening enjoyed by all - playing Trivial Pursuit with a twist. The only team to complete three puzzles and the winners was Team 4, Well done. Twenty four packets of crisps were consumed during the evening to keep everyone's energy levels up!

Our next Meeting on Thursday 2 November will be a visit by the Fire Prevention Team who will advise us on Home Safety Awareness. Always interesting. Newcomers always welcome.

Please remember to bring back your Christmas Menus with your name and choices on the back along with your payment.

Until then buckle up and stay warm as winter is upon us.

Cheers

Messy Church

20 children and 16 adults took part in our
Messy Church, Harvest. We heard the story of Ruth
and the children gleaned corn from the garden.

Jayne helped us to make grass
heads with seeds that will grow
into hair

We made pizzas with Amanda.

Everybody helped to make a
Tree of Thanksgiving

We made tissue paper hearts to
remind us of the love and loyalty
that Ruth showed for Naomi.

Some of us made hedgehogs
with Autumn leaves

Charlotte helped us to
make fruit skewers

We made baskets to put corn in.

Oscar helped us to make corn
shakers so we could celebrate
Ruth's marriage to Boaz

We had meatballs or sausages with
pasta and tomato sauce followed by
apple crumble and ice cream,

Donna told us how Americans celebrate Thanksgiving
with 5 pieces of Candy corn and we made popcorn.

The next Messy Church is on December 9th at 3pm in Headway.

Next Café Church at Headway
Sunday 19 November

Time: 11am

Followed By A Shortened Form Of
Holy Communion For
Anyone Who Would Like It.

The service in the community for October was Harvest Festival. Donna led us in a service of thankfulness for all our harvest produce. Not only things that grow but those we mine or manufacture and for water.

Thank you to everyone who gave so generously for the Hereford Larder. Thank you also to the ladies of the church who provided a hot lunch of Cottage Pie followed by Apple Crumble and cream and other harvest fayre.

Café Church is **Church in the Community**. If you find Church difficult or have trouble getting up to church then do consider joining us for a more informal approach or if you prefer join us at 11.30am for the conclusion and Communion.

Recognition for volunteer team behind St Michael's Hospice garden

The gardening team at St Michael's Hospice have given up their time to transform the 1.5-acre plot in Bartestree. Their efforts over the past three years have seen them receive a Landscape Award which was presented during the Heart of England in Bloom Awards held in Sutton Coldfield.

There are currently around 40 volunteer gardeners, who meet each Wednesday at St Michael's to carry out a variety of roles across the Hospice grounds.

The award was celebrated by Herefordshire's gardening celebrity Monty Don, who announced the news to his 1.2 million Instagram followers. The Gardeners' World host said he was "so proud of all that have worked so hard and given so much to create this garden". Monty has visited the garden several times, offering advice to the volunteer team. He also officially opened the gardens at St Michael's last September.

World Mental Health Day

World Mental Health Day 2023 took place on Tuesday 10th October. We planned some fun activities for the children to enjoy and encouraged them to talk about their feelings.

Our Connect Club for Year 6 girls, where they can take part in positive affirmation & mindful activities, is also proving very popular.

Year 6 Bikeability

Our Year 6 children have successfully completed the Bikeability Level 1 & 2 course.

The instructors commented that the children were incredible. They followed instructions safely and did not complain about the very wet weather!

Well done children, you are a credit to St Mary's and we are so proud of you!

TRANSFORM YOUR HOME WITH COACH HOUSE INTERIORS

At Coach House interiors we span four generations who have all worked in the soft furnishing industry. There is not a window, bed, piece of furniture, floor or wall that we have not dressed in one way or another throughout the last 60 years! Fashions come and go in our world, and we are proud to say that we can create any soft furnishing project from every decade.

Whether you want swags and tails, traditional lampshades, quilted bedspreads, roman blinds, the latest smart technology or shutters at your window, we will listen to your requirements, work to your budget and oversee every step of your scheme.

We can dress four poster beds, create half testers or coronas from scratch, make any shape of headboard or stool you have in mind, recover beloved antique kidney shaped dressing tables or completely update a 'tired' piece of furniture, whilst we are a team of interior designers we are also trained seamstresses and upholsterers.

Any scheme we undertake has a starting point. If you are looking for paint or wallpaper ideas, it usually has to tie in with an existing plan. If you wish to keep your existing soft furnishings, we can work with you to refresh your rooms with either our extensive wallpaper collection or our expertise in selecting a paint colour to bring your room to life.

We can re-build sentimental pieces, transform a previous owners house into your 'dream home' and work with you to bring the most awkward spaces into your desired aspirations. Helping you transform your home into the new living space you wish for.

Most importantly though, above all the experience we can bring, we pride ourselves on listening to your thoughts on your project and working with you to achieve this.

We are a dedicated team, who pull together here at Coach House Interiors, to work with you from your initial contact with us whether by e-mail, phone call or visit, and take any idea you present to us; from your initial contact right through to completion.

We look forward to seeing you in person and working with you in either your home or business to achieve your exacting requirements.
