B. STANDARD CONTRACT CONDITIONS

Officer

The Officer will be the Parish Clerk

Extent of Work

The work will comprise of the application of Weed Control substance to the Village pavements and two amenity sites. (See site plans attached)

Weed Spraying:

As defined on the site plans, all areas are to be treated twice per year with appropriate weed-killing and repellent chemicals. 1st Spray must commence during May/June and a 2nd Spray to take place in August/September (Weather permitting).

Site Details

The sites are:

Community Centre – Amenity land adjacent to the Community Hall, Social Club and Youth/Resource Centre (Currently used as a Children's Nursery)

Roman Park – a large sized traditional children's and family play park with 2 football pitches and changing rooms.

Village – consisting of one main road, Station Road, with several roads leading from it (Waterside, Glebe Close, Mill Lane) and 3 Housing Estates (Trenchard Housing Complex, Ecroyd Housing Complex & Persimmon Estate).

Before tendering the Contractor is advised, at his/her own discretion, to visit the sites to satisfy themselves as to the full extent of the Contract Specification. No claims arising from failure to do so will be accepted.

Site Access

The Roman Park Gate, Roman Park Perimeter Fence Gates and Community Centre perimeter gates are all locked with a padlock. Upon commencement of the contract the contractor will be issued with the keys for access purposes. The contractor will return the key to the office at the termination of this agreement.

Contractor employees/sub-contractors accessing the Youth/Resource Centre within the Community Centre will present themselves to the Manager and sign into the visitor's book before commencing work. Where possible work within the Resource Centre site will be conducted outside the hours of 09.00 and 16.00 (Mon to Friday) to minimise the disturbance to the tenant during opening hours; however it is accepted that this may not always be possible. It is up to the contractor to form a good working relationship with the Tenant during the term of this contract.

The contractor is only permitted to access the sites for the performance of this contract and for no other purpose without seeking prior permission from the Officer.

Workmanship and Equipment

The workmanship must be of the highest standard and shall conform to all relevant British Standards, Specifications and Codes of Practice.

Additional Areas

The Council may at any time add or remove areas during the period of the Contract and will notify the Contractor of such plans. An application from the Contractor to adjust the Contract price as a consequence will be considered.

Duration of Contract

The Contract will run for the period commencing **01 APRIL 2024** to **31 MARCH 2025** inclusive, with annual performance reviews. Tenders are to be priced on a per treatment basis. There will be no opportunity to alter the rates tendered during the full term of the contract.

Payment to Contractor

The Contractor will submit an invoice, by the 10th of the month for it to be paid before the end of that month for all work carried out. Invoices submitted during August will not be paid until September due to there being no Parish Council meeting that month. Invoices submitted after the 10th of the month will not be paid until the following month unless the Officer has sufficient time to include them on the Parish Council Agenda.

Termination of Contract

Either party may, without reason, terminate the Contract, in writing, giving no less than Three Months' Notice.

Insurance

The Contractor is required to have a minimum of £5,000,000 public liability insurance. A current Certificate of Insurance to this effect must be produced to the Officer prior to commencement of the Contract and annually thereafter. The Contractor shall indemnify the Council against any claim or proceedings for any injury or damage to any property or persons or animals as a result of negligence, poor workmanship or failure to notify the Council of any action likely to cause injury or damage to a third party. Any damage caused to any property during the performance of this contract must be reported to the Officer immediately and any costs involved to rectify the damage will be the responsibility of the contractor.

Subcontractor/Employee Verification

Due to the nature of the locations included within the contract all subcontractors or employees employed in the performance of this contract are required to have a valid Basic DBS check which is not more than 3 years old. A list of names, DBS numbers and date of last check must be produced to the Officer prior to commencement of the Contract and annually thereafter. If new subcontractors/employees are used then it is the Contractor's responsibility to provide the same details.

Health and Safety

The Contractor shall comply with all relevant statutory requirements (including Health and Safety at Work Legislation) at all times in carrying out the services described in this agreement.

All works will be carried out in accordance with the Safety at Street Works and Road Works: Code of Practice 2013.

The Contractor will provide the Officer with a COSHH Assessment before commencing work.

The Contractor will have qualifications and up to date licenses for the use of dangerous chemicals.

Notes to Tenderers

- i. Attention is drawn to the Form of Tender and Standard Contract Conditions. These documents must be read in conjunction with the Specification of Works, Plans and Schedule of Works. Contractors are advised to carefully read all documentation.
- ii. The prices to be included in the Form of Tender are to be the full inclusive value of the work described, including all profit, costs and expenses, and all general risks, liabilities and obligations, but EXCLUDING VAT (if applicable)
- iii. A price shall be inserted against each item on the Form of Tender for each element of the contract tendered for.
- iv. No alteration to the text of the Form of Tender is to be made by the Contractor tendering. Should any alteration, amendment, note or addition be made, the same will not be recognised and the reading of the printed Schedule will be adhered to.
- v. A regular inspection will be carried out by the Council throughout the period of the Contract to ensure the work is completed in accordance with the Specification of Works.
- vi. Invoices presented for payment must include a schedule of the works completed including the dates of the work.
- vii. Contractors are asked to contact the Officer if any clarification is required.

C. SPECIFICATION OF WORKS

1. The contractor must ensure that staff are adequately trained and provide appropriate Safety equipment and clothing to its staff.
2. The contractor must ensure that the equipment and machinery used for the application of the chemicals are in a good state of service and regularly maintained.
3. The contractor must ensure that the equipment and machinery is properly calibrated to ensure accurate application of the chemicals to be used.
4. The contractor must ensure that appropriate weed-killing and repellent chemicals are used at the correct concentration and to apply them to all the areas identified by the Council for the purposes of eliminating weeds from those areas defined in the site plans.
5. Where access is restricted by vehicles or other obstacles, the contractor must ensure these areas are treated by other means i.e. knapsack or returning to site on alternative date. Where areas cannot be accessed the contractor must contact the Council immediately to report what areas were not covered and why.
6. Chemicals used must be environmentally friendly and approved by DEFRA.
7. Spraying must take place on low wind dry days when a period of dry weather is expected.
8. The spraying may be inspected after completion and the contractor will be required to re-spray areas where their chemicals have not worked or weeds have started to re-grow.

NOTE: None of the sites have access to toilets or running water – so contractor will need to make their own arrangements for their staff welfare.
