Financial Planning for 2026-27

The responsible finance officer presented the Draft Budget at the November Parish Council meeting the key aims and objectives for the year will be

Aim/Objective	How this affects our budget
To keep operating costs as low as feasibly possible whilst maintaining the same standards and complying with all statutory legislation.	These are our Operating Costs, we have retendered all contracts and reviewed every cost lines to ensure that we plan a lean budget. We have to spend this money to comply with statutory legal requirements.
To continue to bring our land and buildings up to modern day standards to provide local amenities and services to the community.	In 2025 we had condition surveys completed that list all work required to address issues with our land and buildings. A plan of work has been costed and spread over 10 years to manage this plan in a cost effective manner.
To continue to support local groups and charitable organisations	We have set aside £7000 for Section 137 Grants in continue to help local organisations.
To keep the precept the same as in 2025/26 whilst delivering the same services	At the November Parish Council meeting it was agreed that the key objective would be to hold the precept the same next year as this year in recognition of ongoing challenges that families are facing in the current cost of living crisis.

The budget will be reviewed by councillors before the next meeting in December where any amendments will be proposed and discussed. The final budget will then be approved and submitted to Herefordshire Council by the end of December.

There is still time for you all to have your say on the budget for 2026-27, get in touch with the Parish Clerk or speak to one of the councillors about any of our plans or your ideas. The Parish Council represents you and all opinions matter.

Wishing you a
MERRY
Christmas
&
HAPPY NEW YEAR

The Vicar's Letter

Dear Friends,

In my Bible reading notes by Winn Collier for October 1st, I came across this story, so I put it aside for this darkest time of year:

A tugboat sank twenty miles off the coast of Nigeria, turning upside down as it fell to the sea floor. Eleven crew members drowned, but the ship's cook, Harrison Odjegba Okene. He found an air pocket and waited. All he had was a bottle of fizzy drink, and when both of his flashlights died within the first twenty-four hours, he was alone in the darkness at the bottom of the ocean for three terrifying days. He'd begun to give up hope, when divers on a mission to recover dead bodies found him hunkered and shivering deep in the hull. The image of Harrison Okene alone in the dark for sixty hours is unnerving. He told reporters he still suffers nightmares from the horrifying ordeal. But can you imagine what he felt when he saw the diver's powerful lamp piercing the darkness? What joy and elation, what hope.

The prophet Isaiah foretold how, when the Messiah came, all "the people walking in darkness" would see "a great light" (Isaiah 9:2). Left to our own devices, we live "in the land of deep darkness," but in Jesus, "a light has dawned" (v.2). Christ is "the light of the world," and in him we need never again fear the darkness for we "have the light of life" (John 8:12).

We may feel trapped and hopeless, alone or in despair, but God illuminates good news. Jesus carries us out of the dark and into his marvellous light. If you find yourself facing darkness at this time, and you want Jesus to be your light and bring you out of it, try saying this prayer:

Dear God, I need your light in my life. Please bring me out of my dark place. Amen.

With my prayers and every blessing for a Joyful Christmas,
and a Happy and Prosperous New Year,

Rana

St Mary's Church, Credenhill

Over 50 people, including members of the Scouting organisations, joined us for a service of Remembrance. Poppy wreaths were laid on behalf of the RBL, Parish Council, Church and Scouting as well as individual poppies and crosses. Unfortunately, the sound system we had borrowed failed for the hymn and Anthem and had to use a speaker system for the traditional last post, silence and reveille. We apologise for this and are looking into acquiring our own system for next year to ensure that this does not happen again.

November is the month when it gets darker and colder. For many people it is the start of months of isolation and loneliness as we stay inside. This year Advent starts on November 30th. Advent is a time of looking forward, preparing for Christmas. At St Mary's we will already have begun our preparations. The Advent wreath is placed around the tree and a candle will be lit each weekend until Christmas Day. The church will be open with help yourself refreshments if you need somewhere to sit and reflect. Don't be alone. If you need someone to talk to please get in touch.

We are organising events throughout December and would love to see you and your family. We can organise lifts if you need one. Do join us.

We have decided not to hold our Christmas Hamper Draw this year as there is so much happening but instead would ask you to give a gift to the church to enable us to continue to function next year. **Our Gift Day is on Sunday 14th December.** We will be holding a service at 11am in church and traditionally it is the time we bring gifts for the Food Bank, for local children in need and for the church. If you can give a gift to the church please put it in an envelope and bring it along on that day or let someone who you know will be at church bring it for you.

Sunday 21st is our Carols in the Community. This will be held at Headway at 3pm and will be followed by a traditional Afternoon Tea. Everyone is welcome.

Wednesday 24th is our Crib and Christingle Service. This is held in church at 4pm and for many is the beginning of Christmas. It is a fun all age service and will be followed by Christmas refreshments.

Don't forget to join in our **Follow the Star Christmas Trail** around the village. Start at Life and Soul and follow the stars to find words to make a Christmas Sentence. It finishes in Church where there will be a box to put your solutions. The winners will be drawn on Epiphany Sunday, January 4th.

I wish you all a very Happy Christmas. You will be welcome at any of the Christmas Services. Please see Rev Rana's page to check times. Donna Jones (Churchwarden)

Non-cancer patient numbers under the care of St Michael's Hospice exceed cancer patients for first time

One of Herefordshire's largest charities says the number of its patients with non-cancer conditions has exceeded those with cancer for the first time.

The change is down to an expansion of services offered by St Michael's Hospice including expert care and support for those with dementia and other neurological conditions such as Parkinson's and Motor Neurone Disease.

The Bartestree based charity, which provides palliative and end-of-life care to those in Herefordshire and its borders, has seen a 133% rise in patient numbers in under a decade, whilst relying on the generosity of the community to plug an annual £10 million funding shortfall.

"The expert free-of-charge care provided to our patients continues day and night, just as it did when we first opened our doors 41 years ago," said St Michael's Chief Executive, Matt Fellows.

"Now, thanks to an ever-expanding breadth of services, we're able to offer more care and support to more people, and the latest care figures reflect that.

"Despite reaching more people though, we're acutely aware that there are a great many who could benefit from our care but, for whatever reason, we have not yet met. We're very keen to make contact with them."

The Hospice's care is provided on the charity's Inpatient Unit in Bartestree, to patients visiting the Day Hospice at St Michael's, and in people's homes through the Herefordshire Hospice at Home service*.

St Michael's says at the time of the new figures, earlier this autumn, it was caring for 1,124 people, 568 of whom have a non-cancer diagnosis. The Hospice is independent of the NHS, and receives less than a third of its care funding from the government and statutory sources.

Mr Fellows says this shortfall is recouped thanks to the extraordinary backing of the charity's supporters.

"Over £10 million each year must be raised through the incredible generosity of our community," he said. "Every pound we receive helps make sure families can access expert, compassionate care when they need it most, without worrying about the cost."

Mr Fellows has previously called for hospices across the UK to receive a more equitable share of funding from the government, particularly given the increasing challenges caused by National Insurance rises and increased cost of living.

The latest year-end statistics showed St Michael's cared for or supported 2,495 people in the 12 months to 31st March this year.

That figure was up almost 150 on the previous year, and up 1,425 in just eight years - a rise of around 133%

"Hospice care plays a vital role in our community, and we remain committed to working with our partners and supporters to secure sustainable, long-term solutions," added Mr Fellows.

"Hospices across the UK face ongoing financial pressures that have only been exacerbated by recent economic difficulties.

"This makes the backing of our supporters all the more incredible - and we're truly grateful for their continued support."

JAMO

JUST A MOMENT OUTREACH

JAMO ISN'T JUST A BRAND — IT'S A MOVEMENT BUILT FROM LOVE, LOSS, AND THE STRENGTH TO KEEP GOING.

CREATED IN MEMORY OF OUR FRIEND
JAMES "JAMO" PLUMRIDGE.

JAMO STANDS FOR JUST A MOMENT OUTREACH — A REMINDER THAT SOMETIMES, TAKING JUST A MOMENT TO CHECK IN, REACH OUT, OR SLOW DOWN CAN CHANGE EVERYTHING.

Through clothing, conversation, and community, we're raising awareness for mental health across Herefordshire and the UK. Every hoodie, tee, or wristband carries a message of hope, unity, and remembrance — not just for Jamo, but for anyone who's ever struggled in silence.

Each purchase helps continue Jamo's legacy, with a portion of proceeds going directly to his children and mental-health outreach projects in his name.

TOGETHER, WE'RE PROVING ONE THING:
EVEN WHEN SOMEONE'S GONE, THEIR SPIRIT
CAN STILL BRING PEOPLE TOGETHER.

JOIN THE MOVEMENT.
SPREAD THE MESSAGE.
YOU ARE NEVER ALONE.

JAMO — JUST A MOMENT OUTREACH
